President Johnson Issues Orders At-fecting All His Lines in State of Virginia.

[Special to The Times-Dispatch.]

[Special to The Times-Dispatch.]
ROANOKE, VA., November 18.—
When asked to-day concerning the report that the Norfolk and Western Rallway had discontinued the sale of intoxicants on its dining-cars, President L. E. Johnson said;
"Instructions have been issued to discontinue the sale of ardent spirits on the dining-cars on the Norfolk and Western Railway operating in Virginia."

This is the only statement Mr. Johnson would make, and he had nothing to say concerning what brought about the issuance of the order.

The instructions were sent out several days ago, and on Monday the stocks aboard all the diners were turned into the commissary.

After West Virginia went dry, the railroad, of course, was not permitted to dispense ardent spirits while passing through the State, and it is understood that at some points in Maryland the sale of liquor aboard railroad cars is prohibited.
